Terms and Conditions *

CONTRACT TERMS

Terms of Agreement: This agreement is valid for 1 year from the contract date.

NOTE: Billing occurs on the 1st day of each month. The first monitoring invoice will be prorated to cover the activation month's balance and a full period as selected above. Monitoring charges are billed separately from equipment sales.

SERVICES CONTRACTED & PROVIDED

RHR Systems Inc. (The Company) agrees to arrange alarm monitoring service for The Alarm Customer on behalf of RHR Systems Inc. (Install Co.). The Company's obligations are limited to monitoring alarm signals and transmitting notifications to appropriate authorities or contacts listed in the Monitoring Details provided by The Alarm Customer, unless reasonable cause suggests no emergency conditions (e.g., storms, power outages). The initial term starts on the operational service date and automatically renews unless canceled with at least 30 days' notice before renewal. The Company may adjust rates as requested by the Install Co. The Alarm Customer must inform insurers upon agreement termination. The Install Co. may enter premises to reprogram devices upon termination, possibly at billable rates.

RESPONSIBILITIES OF THE ALARM CUSTOMER

The Alarm Customer must not discriminate against The Company's personnel or engage in verbal abuse. The Company reserves the right to terminate the Agreement in such events.

LIMITATION OF LIABILITY

The Company, Install Co., their agents, employees, and sub-contractors are not insurers and are exempt from liability for alarm system failure or delayed response to alarm signals. The system can fail beyond their control. The Alarm Customer's payment is for monitoring only, not protection or insurance. The Alarm Customer's remedies for any loss are personal resources or insurers. Failure of the system doesn't impose liability on The Company or Install Co. beyond returning the monitoring service fee, limited to \$1,000.00 or the annual fee, whichever is lower.

THE COMPANY AND INSTALL CO. LIABILITY

Under no circumstances are The Company or Install Co. liable for lost profit, consequential damage, or claims from third parties. The Alarm Customer acknowledges this.

EXCLUSIONS FROM LIABILITY

The Company or Install Co. is not responsible for losses due to acts, misuse, environmental conditions, false alarm assessments, power failures, equipment tampering, or other causes beyond their control.

INDEMNIFICATION

The Alarm Customer agrees to indemnify and hold harmless The Company and Install Co. against any claims or demands.

SIGNALS

Passive alarms may generate up to 4 signals per month; signal logging systems up to 75 signals per month. Excessive signals may lead to additional charges per signal.

CHANGE AUTHORIZATION

The Alarm Customer grants permission to the Install Co. to communicate changes to the account, including zone descriptions, call-out procedures, and monitoring service cancellations.

BINDING EFFECT OF DOCUMENT

This document, when signed and accepted, constitutes a binding contract for monitoring services.

Terms and Conditions (continued)

EARLY TERMINATION

Early termination may result in an early contract termination fee calculated based on remaining unfulfilled months multiplied by the current monthly rate.

SUSPENSION OR CANCELLATION OF MONITORING SERVICES

The Company may cancel monitoring service if its station is inoperable, or due to The Alarm Customer's actions, without liability except for a refund of fees paid post-cancellation.

SUSPENSION OR CANCELLATION BY POLICE AGENCIES

The Company will continue service even if police or authorities suspend response. The Company is not liable for delay or failure in response by authorities.

SUSPENSION OR CANCELLATION FOR NON-PAYMENT

Monitoring service may be suspended or canceled if payments are overdue or checks are not honored.

COLLECTION COSTS

Default may lead to account sent for third-party collection, including collection costs.

ASSIGNABILITY OF AGREEMENT

This agreement and The Company's monitoring service are not transferable without written consent. The Company can assign this agreement without Alarm Customer's consent.

ENTIRE AGREEMENT

This agreement is the entire agreement between parties. No changes are valid unless in writing and signed by The Company and the Alarm Customer. No other representations or warranties exist. No one other than authorized Company representatives can alter these terms. These terms override any inconsistent terms in submitted documents.

☐ I accept the Terms and Conditions.
